from beloved writer and artist kip fulbeck author of *part asian* 100 hapa this timely collection of portraits celebrates the faces and voices of mixed race children at a time when 7 million people in the u s alone identify as belonging to more than one race interest in issues of multiracial identity is rapidly growing overflowing with uplifting elements including charming images handwritten statements from the children first person text from their parents a foreword by dr maya soetoro ng president obama s sister and an afterword by international star cher who is part cherokee this volume is an inspiring vision of the future

the authors present bandw photographs of 39 multiracial families in western massachusetts and several other parts of the us and provide brief excerpts from interviews with each family family members are of black white asian latino native american and other ethnic backgrounds the introduction provides historical and demographic information on interracial marriages and transracial adoption in the us includes a resource list paper edition unseen 19 95 annotation copyrighted by book news inc portland or

the routledge companion to asian american media offers readers a comprehensive examination of the way that asian americans have engaged with media from the long history of asian american actors and stories that have been featured in mainstream film and television to the birth and development of a distinctly asian american cinema to the ever shifting frontiers of asian american digital media contributor essays focus on new approaches to the study of asian american media including explorations of transnational and diasporic media studies of intersectional identities encompassed by queer or mixed race asian americans and examinations of new media practices that challenge notions of representation participation and community expertly organized to represent work across disciplines this companion is an essential reference for the study of asian american media and cultural studies

research continues to uncover early childhood as a crucial time when we set the stage for who we will become in the last decade we have also seen a sudden massive shift in america s racial makeup with the majority of the current under 5 age population being children of color asian and multiracial are the fastest growing self identified groups in the united states more than 2 million people indicated being mixed

race asian on the 2010 census yet young multiracial asian children are vastly underrepresented in the literature on racial identity why and what are these children learning about themselves in an era that tries to be ahistorical believes the race problem has been solved and that mixed race people are proof of it this book is drawn from extensive research and interviews with sixty eight parents of multiracial children it is the first to examine the complex task of supporting our youngest around being two or more races and asian while living amongst post racial ideologies

both of these authors bring to this topic a wealth of personal experience and academic scholarship and insight they courageously embrace new ideas and concepts of race and culture both nationally and globally and provide new and exciting ways of thinking talking learning and educating features authors encourage the reader to critically think about diverse family constellations and individual racial and ethnic identity different models of multiracial identity development are reviewed focus questions at the beginning of each chapter help give students direction a variety of tools are provided to help students critically examine their own perceptions and to evaluate materials curricular approaches and instructional methods author bios francis wardle first became involved in issues regarding multiethnic and multiracial children when his four year old daughter came to him in tears after a peer used race as a put down since then he has created the center for the study of biracial children given presentations on multiethnic and multiracial issues throughout the us and canada written extensively on the topic and been quoted in newspapers magazines tv programs and radio stations including npr currently dr wardle teaches at red rocks community college and the university of phoenix colorado campus consults for the national head start migrant program and writes for a variety of national publications marta i cruz janzen is associate professor of multicultural education at florida atlantic university she received a ph d in curriculum instruction from the university of denver a master of arts and master of education in human development from columbia university teachers college and a bachelor of science from cornell university her dissertation curriculum and the self concept of biethnic and biracial persons received the university of denver phi delta kappa 1996 97 dissertation of the year award marta has been a bilingual teacher and elementary school principal

a uniquely canadian approach to multicultural counselling in a country as diverse as canada a multicultural counselling approach provides an essential starting point for working with people from different ethnicities sexualities gender identities abilities and religious backgrounds bringing canadian perspectives to the field of multicultural counselling this collection provides practical approaches to counselling in indigenous asian black canadian hispanic south asian and lgbtq2 communities among others along with advice for treating migrant and refugee clients the third edition of diversity culture and counselling addresses crucial issues such as systemic racism immigration policy climate change and discriminatory policies reflecting the many changes that have arisen in canada since the publication of the second edition along with an all new chapter on counselling during a national crisis each chapter has been revised to reflect the current state of diversity in canadian counselling with contributors from a range of backgrounds

from their earliest encounters with indigenous pacific islanders white europeans and americans asserted an identification with the racial origins of polynesians declaring them to be racially almost white and speculating that they were of mediterranean or aryan descent in possessing polynesians maile arvin analyzes this racializing history within the context of settler colonialism across polynesia especially in hawaii i arvin argues that a logic of possession through whiteness animates settler colonialism by which both polynesia the place and polynesians the people become exotic feminized belongings of whiteness seeing whiteness as indigenous to polynesia provided white settlers with the justification needed to claim polynesian lands and resources understood as possessions polynesians were and continue to be denied the privileges of whiteness yet polynesians have long contested these classifications claims and cultural representations and arvin shows how their resistance to and refusal of white settler logic have regenerated indigenous forms of recognition

it s kind of an odd thing really because it s not like i m one or the other or like i fit here or there but i kind of also fit everywhere and nowhere all at once you know florence my racial identity i would have to say is multiracial i am of the future i believe there is going to come a day when a very very large majority of everybody in the world is going to be mixed with more than one race it s going to be multiracial for everybody everybody and their mother jack kristen a renn offers a new perspective on racial identity in the united states that of mixed race

college students making sense of the paradox of deconstructing racial categories while living on campuses sharply divided by race and ethnicity focusing on how peer culture shapes identity in public and private spaces the book presents the findings of a qualitative research study involving fifty six undergraduates from a variety of institutions renn uses an innovative ecology model to examine campus peer cultures and documents five patterns of multiracial identity that illustrate possibilities for integrating notions of identity construction and deconstruction with the highly salient nature of race in higher education one of the most ambitious scholarly attempts to date to portray the diverse experiences and identities of mixed race college students the book also discusses implications for higher education practice policy theory and research

discusses the many issues facing teens of multiethnic descent including discrimination and the search for ethnic identity in an unsympathetic culture

resource added for the psychology includes sociology 108091 courses

an incisive multidisciplinary look at the american family over the past 200 years written by respected scholars and researchers family in america offers two powerful antidotes to popular misconceptions about american family life historical perspective and scientific objectivity when we look back at our early history we discover that the idealized 1950s family characterized by a rising birthrate a stable divorce rate and a declining age of marriage was a historical aberration out of line with long term historical trends working mothers we learn are not a 20th century invention most families throughout american history have needed more than one breadwinner in the exciting new scholarship described here readers will learn precisely what is new in american family life and what is not and acquire the perspective they need to appreciate both the genuine improvements and the losses that come with change
